
RULES FOR ABSTRACT ASSESSMENT (ORAL PRESENTATIONS AND POSTERS) AT THE 2025 ANNUAL MEETING OF SGG-SSG/SGVC-SSCV/SASL/SVEP-ASPE

- Abstracts must be submitted electronically by **31 May 2025, 24:00 (midnight)**.
 - **Industry abstracts will not be accepted.**
 - At least one author must be based in Switzerland. For multicentre studies, coordination must have taken place in Switzerland, and the research protocol must also have been developed there.
 - The Congress President, with support from the scientific committee where appropriate, will assign abstracts to qualified reviewers.
 - Reviewers must assess all abstracts assigned to them and must not evaluate abstracts from their own working group or institution. If an abstract receives fewer than three reviews, an additional reviewer will be appointed for that group of abstracts.
 - The scientific committee is responsible for deciding whether an abstract will be presented as an oral presentation or a poster.
 - Abstracts may be rejected without explanation.
 - The review and decision-making process is confidential. Applicants are not entitled to access any details regarding the evaluation or the basis of the decisions.
